Dear colleagues,

We are pleased to invite you to our **International Staff Week at Université de Pau et des Pays de l'Adour (UPPA)**, which will take place from **April 5th to April 9th 2027** at our Pau Campus, France.

This Staff Week will bring together colleagues from our partner universities and networks (UNITA, GEMINAE, UQ), with a particular focus on **networking, job shadowing and the development of future cooperation projects**.

The programme will offer opportunities to:

- exchange practices and experiences with colleagues
- discover different aspects of internationalisation at UPPA through job shadowing
- explore opportunities for cooperation and joint internationalisation projects
- strengthen existing partnerships and develop new project ideas, including within Erasmus+

Possible job-shadowing activities will include sessions with:

- the **International Relations Office (DRI)** – internationalisation tools, mobility and Welcome Desk;
- the **Doctoral School** – co-supervision and cotutelle;
- the **European Projects Unit** – project development and Erasmus+ project engineering;
- **Hephaestos project** – inclusion and accessibility.

Other job-shadowing opportunities may also be considered, depending on participants' requests and, above all, on the availability of the relevant UPPA services during the Staff Week.

Each UNITA partner may be represented by 2 persons as a maximum.

We will get back to you shortly with further information and a registration link.

We look forward to welcoming you to UPPA !

Best regards

UPPA UNITA Office
