Subject: [Erasmus] University of the Basque Country (Spain): International Staff Week 5-9 June 2017

To: erasmus@ehu.es

Dear colleagues,

By this message we would like to invite the staff members of your International Relations Office to the third **Staff Training Week** of the UNIVERSITY OF THE BASQUE COUNTRY (Spain), on 5-9 June 2017.

Our Staff Training Week will take place at the cities of Donostia/San Sebastián, Vitoria/Gasteiz and Bilbao.

In this way, you will be able to get to know the three Campuses of our University and get the most out of our region.

This year it will be a great pleasure for us to have as special guests to our colleagues from the International Relations Office of the **University of Pau and Pays de l'Adour**. Their presence will allow us to tell you about the “Double Degrees” we share with them.

The topics of the workshops will be decided taking into account the best practices at international relations suggested by the participants (ways to assess multicultural competences, international credit mobility, student services...).

We are looking for active participants willing to share innovative ideas and best practices from their home universities.

We are organizing a mixture of workshops and presentations of the participants.

Here you have our preliminary programme:

The working language of the event will be English.

As places are limited for 25 people, the participants will be selected on the basis of geographical diversity and fields of interest.

Participation will be limited to two people per institution.

We will give priority to staff related to international relations, student mobility and double degrees.

The registration will be closed on the 22 April 2017.

Registration must be done on line via the following link:

<https://www.encuestafacil.com/RespWeb/Qn.aspx?EID=2250737>

If you are interested in applying, please, do not wait until the very last day.

Please, do not make travel arrangements before we have confirmed your participation in April. Applicants, who will get our confirmation, will get accommodation information. Participants are kindly encouraged to apply for Erasmus+ STT grants at their home institution.

We are looking forward to receiving your applications and welcoming you in the Basque Country!

Do not hesitate contacting us if you have further questions: [projects.international@ehu.es](mailto:projects.international@ehu.es)

Eventually, we would be very grateful if you could distribute this invitation among the people working in the international relations and/or double degrees areas of your university. Thank you in advance.

Greetings on behalf of STW team of the University of the Basque Country
