

Dear colleagues,

on behalf of the organising team, I would like to invite you to our **International Days „Crossroads in Social Work – Could we break free from the shackles of fear and limitation?“**, which will take place from **3 to 7 June 2019**.

We are inviting teaching colleagues to take an active part in this programme by giving a lecture or leading a workshop. Also, we would be more than happy to welcome your students to join us for these international days and receive up to 2 ECTS for their participation. In addition to lectures and workshops, our programme will include site visits to social organisations active in a variety of different areas, such as child and family welfare or immigration.

For overseas-students and lecturers an extension to 2nd week of stay (until 14 June 2019) is possible. Further details upon request.

Cultural Trip (optional):

On Monday, 3 June 2019, we will show you the beauty of Austria and take the chance to get to know each other before the official start of the international days. Join us for an optional trip to the famous [Hallein Salt Mine](#). After that we will visit **Salzburg** where you will have the possibility of exploring this picturesque city on your own before we then return to Linz.

Costs:

The University of Applied Sciences Upper Austria is able to cover some of the spending but we **need to charge you a portion of costs**. Therefore participants will be asked to pay the following fees:

Participation fee for the International Days : 4. – 7. June 2019 – 50,-- Euro per student and lecturer.

The fee will cover costs such as welcome and farewell lunch/dinner, weekly-pass for public transport Linz, etc.

Accommodation:

Linz offers a variety of hotels at different price levels. The closest new and very low priced hotel is the “Montagehotel Business & City” (<http://www.montagehotel.at/city-hotel>) which is situated just around the corner (approx. 5 min. walk) of the FH Upper Austria. Upon request we will gladly suggest other hotels. Also, one of the cheapest and most convenient ways of staying in Linz is through Airbnb.

Please book your stay individually.
