

Dear Partner,

We are organising our 1st International Week, which will be held on 20-26th of May 2019. We would like to invite all our partners, which from the project KA107 - Partner Countries can come for free and from project Ka103 person need to pay 100 euro and then participate in all activities. We would like to encourage you to participate as a co-organisator, whose entry is also free.

On 24th of May Powiślański University in Kwidzyn are organising the 1st International Student Conference.

On 25 May, the 2nd Higher Education Fair "Future is Yours" will be held in the Kwidzyn Industrial and Technological Park, it will be the International Education Fair of Universities. In addition to the demonstrations and presentations of the partner universities of the Powiślański College in Kwidzyn,.

The plan also includes a discussion panel - learning the future - the future in science.

In turn, on May 26, 2018, the 6th International Conference on "Faces of Prosperity" will be held.

For more information please see the attached files.

Please, submit information via international university offices on websites and in social media - we will be very grateful.

We hope you will join us for this important week in Poland.

With kind regards,

Dear Coleagues,

It has been a while since our last communication - it is a follow-up to my last email about our Staff Week 2019. I hope you are fine.

We kindly invite you to join the organisation of scientific committee of our traditional, international conference „ Faces of prosperity” in association with international Higher Education Fair where you will be able to present you University and the First International Student Conference.

Problem areas of the international conference "Faces of Prosperity" are:

1. Social welfare- chances and thearts
2. Economic development, and eco development
3. The rule of human and social capital in economic development
4. Combating of civilization diseases

5. Consequences of pharmacological treatment of civilization diseases

Problem areas of the Student conference are:

- Economics and Management sciences
- Health sciences
- Environmental sciences
- History aspects of Independence
- Case reports

We would be pleasure to welcome you as co-organizer. The whole organization of conferences will be covered by Powislanski University in Kwidzyn. You don't have to contribute financially and the participation for you teachers/researchers/students will be free of charge.

Participation in the conference is a unique opportunity to present the results of researches and the recent developments and evaluating them by experts from many areas.

During the conference participants also have the possibility to hear constructive opinions as well as interesting discussions.

The conference is also the perfect way to meet other scientists, exchange experience, ideas or inspirations.

Your participation will be reflected by your logo and name of the University (in the invitation and at the conference public space - see how it looks last year).

We look forward to your answer.

Best Regards

Paulina Osuch
