

Dear Partners,

We are writing to invite you to our second Staff Training Week held at the Universitat Jaume I from the 20th - 24th May 2019.

The Universitat Jaume I is located in Castellon de la Plana, the capital city of the province Castello in the Valencian Community on the east coast of Spain. The city is full of history, culture and nature tourism. As the second most mountainous province in Spain, here you can enjoy the benefits of city, beaches and mountains all in one place.

You can enjoy walking around the city and taking in the history, or visiting the three beaches which are without a doubt among the best in Spain for the quality of water and the many services and recreational activities available. Alternatively take a trip walking or mountain-bike riding in the nearby Desert de les Palmes Nature Reserve.

Universitat Jaume I has taken part in the Erasmus programme since 1994. The programme has been going through big changes since then. The new challenges started with the new programme Erasmus+ in 2014. As a result of that, we are offering mobility possibilities to all agents involved in universities' development.

The second Staff Training Week organised in our institution is aimed at European Staff related to Internationalization either from partner or non-partner universities who would like to learn more about our facilities, our management of the different mobility programmes. We have also tried to organise a programme that can offer you some networking events in order to make the most of your stay with us.

In order to give a greater scope to this international week, some of the activities and presentations will be also aimed at library-related staff. We would appreciate you forwarding this email onto your library department/ International Officer office from your university as it may be of interest to them.

For more information please see the attached preliminary programme of activities or the following link with the information about the last staff week https://www.uji.es/serveis/ori/base/incoming/personal_entrant/

If you are interested and would like to apply for it please fill in the application from the link below before 5th February:
