

Presentation

Coralia Sulea, Ph.D., is an associate professor at the Department of Psychology @ West University of Timisoara. Her teaching focuses on occupational health psychology and leadership. Her main research projects focus on understanding why employee misbehave at work, what happens when they feel insecure about their work, and how can well-being at work be cultivated. Coralia is involved in the coordination of #FutureSkillsProject — a project-based initiative that brings together researchers, students, and organizations for stimulating individuals' skills development and improving work conditions for better performance and meaningful work.
