How to get here

By Air:

Midtjyllands Lufthavn in Karup is the only airport near Viborg. Not a lot of foreign airports have flights to Karup. So often you will have to change at the Copenhagen Airport. To get a cheap ticket from Copenhagen to Karup you have to book your ticket early. Tickets can be booked at the following website: www.momondo.dk – sometimes you will be able to get a very cheap flight – even cheaper than the bus and train.

Teletaxi

From Midtjyllands Lufthavn you have to take a “Teletaxi” to Viborg Bus/train station. Teletaxi must be booked **at least an hour in advance** at phone no. +45 8740 8300 - press 3 for Teletaxi. The price is about. Dkr 40,00 / Euro 5,5 per person. **Please be aware that the driver only accepts Danish currency.** Teletaxi leaves about 15 minutes after planned arrival from the Airport, if your plane is delayed please call Teletaxi with the information. To find “your” Teletaxi you have to look for a sign outside the Airport where it says Teletaxi.

Please be aware that the first Teletaxi will leave from the airport to Viborg at 06.00 in the morning at the last one to Viborg at 23.30 in the evening. If you arrive sooner or later to have to take an ordinary taxi is the price about Dkr. 300-400 / Euro 40-53.

Ålborg Airport, if you arrive to Ålborg airport you must take a bus from the airport to the centre of Ålborg (<https://www.aal.dk/tofrom>) and then the bus from Ålborg to Viborg. Usually the bus, will pass by VIA University College, so you can ask the driver to drop you off ☺

Aarhus Airport, if you arrive to Aarhus airport you must take a bus from the airport to the centre of Aarhus or Randers <https://www.aar.dk/content/bus-service> and then the train from Aarhus to Viborg (https://www.rejseplanen.dk/webapp/index.html?language=en_EN) – or the bus from Randers (<https://www.midttrafik.dk/english/>).

Billund Airport, if you arrive to Billund airport you must take a bus from the airport to the centre of Aarhus (<https://www.bll.dk/en-en/til-lufthavnen/transport-til-og-fra/busser>) and then the train from Aarhus to Viborg (https://www.rejseplanen.dk/webapp/index.html?language=en_EN).

You can also take the bus from Copenhagen to Viborg:

Flixbus, This bus leaves from the airport or from the main train station (Hovedbanegaarden) in Copenhagen [Flixbus](#) - remember when you take this bus to buy a student ticket and bring your student card.

By Train:

Train: [There is a train once an hour from the Copenhagen airport to Jutland.](#) The trip by train takes 5 hours and often you have to change once, often in Århus or Langå. You will find more information at the following website: www.rejseplanen.dk. So if you prefer train to bus, or if you have a long wait for the bus, check the train times.
