

Dear partner,

we warmly invite you to the Europa Universität-Flensburg 2nd Erasmus+ Staff Week from 18th-20th of May 2020 hosted by the Language Center. Come join us and experience our campus and the local culture of Flensburg.

This 3-day-event is specifically designed for university language center staff or those who work in an area related to language teaching, services, or support—for example, language instruction, coaching, mentoring, translation, editing, advising, or policy development.

We would therefore be grateful if you could please share this invitation with your language center staff or colleagues within your university who would be interested in participating.

Nestled in the wind-swept hills above Flensburg fjord, with its old seaport, waterfront promenade, and the stunning historic architecture, the beautiful green campus of Europa-Universität Flensburg is located right on the border of Germany and Denmark. Thus, it offers an ideal setting for relaxed discussion of language learning and communication in a mixed-language environment.

Perhaps you would like to extend your stay in Flensburg by a few days? That would be worth it, because from 21 to 24 May 2020 the Rum Regatta (a sailing event that traditionally brings together over 100 gaff sailors for a race) will take place on Flensburg's Inner Fjord.

Kindly find all necessary information, as well as the registration form under this link: <https://www.uni-flensburg.de/?11166>

The deadline for registration is February 15th, 2020. Acceptance will be confirmed after the deadline.

We look forward to welcoming you to Flensburg in May 2020!

Regards

The Language Center Team
