

Dear Partners, Colleagues and Friends,

Warm greetings from Justus Liebig University Giessen!

I am happy to announce our upcoming International Networking Week at JLU Giessen in summer 2020. The week will take place from **29 June until 3 July 2020** and we will address the challenges on how to mobilize an immobile target group to go abroad on the example of students in teacher training at Justus Liebig University Giessen.

Registration will open towards the beginning of March – I will then approach you once again with a registration link and a draft programme. Meanwhile, you can already find further information and some impressions of our last year's networking week under: www.uni-giessen.de/international-pages/erasmus/stafftraining

With my best regards from Giessen,
