

Dear colleague,

I hope you are well.

This is to inform you that European University of Tirana (UET) will host its third consecutive edition of **Erasmus+ International Days**, which is our International Week dedicated mainly to Erasmus+ partners and other EU projects.

During this week we organize the Erasmus Days envisaged for administrative staff and at the weekend we organize the Scientific Conference "Albanian Studies Days, envisaged for the academics. We have been the first university in Albania to organize such event, as a great opportunity to network with Albanian and European colleagues.

Under the Erasmus+ partnership that we have, we would like to invite you & your interested staff to join us during the week of **9-13th of April 2019 (including Saturday** as working day).

Shall we have staff scholarships (teaching & administrative) available we highly recommend to use them for this period.

Links to videos about Erasmus in UET and international projects can be accessed [here](#), [here](#) and [here](#).
Erasmus+ Days 2018: <https://www.youtube.com/watch?v=psQ4m6ouKyE&t=1s>

Looking forward to welcoming you in UET and discuss potential further cooperation.

With best regards,

Lutjona Lula
