

"Unforgettable experience in the Ice with warm people."

Dear partner,

the application has started for Oulu University of Applied Sciences' **International Teacher and Staff Exchange Week ITSEW 2018, 9 - 13 April 2018**, with a possibility of an optional Post ITSEW Tour, 13 - 14 April 2018. Apply through www.oamk.fi/itsew2018/apply

Applications should be submitted online **15 November 2017 – 15 January 2018**. Please kindly note that due to a large number of applications, late applications cannot be accepted. Admission decisions will be made and sent after the application deadline in early February.

ABOUT THE WEEK FOR TEACHERS:

The week offers a possibility to teach as a guest teacher in business, engineering, ICT, information services, social and health care, education, natural resources, media and performing arts. In addition, teachers of general subjects such as math, languages etc. are also welcome.

AND FOR STAFF MEMBERS:

This is the opportunity to benchmark services in human resources, financial services, student services, IT-services, quality assurance, research & development, communication and international relations.

Please check the following website for more information about the week and the teaching/programme topics: www.oamk.fi/itsew2018

We look forward to networking and sharing ideas with you.

Welcome all the old friends as well as new acquaintances!
