

From: **Räikkä Anne** Anne.Raikka@turkuamk.fi

Dear Partner,

Turku University of Applied Sciences and the faculty of Business, ICT and Chemical Engineering warmly welcomes representatives from partner universities to join **the International Excellence Week of Circular Economy, Digitalization and Entrepreneurship** in **April 4-8, 2016** in Turku, Finland. Whether you are a teacher, researcher or an expert in other fields please find enclosed the invitation to join the week.

TUAS Excellence Week will give you the opportunity **to teach** in a different environment, **plan future cooperation, network** and **exchange information** with colleagues and partners around the world. You will also get **to explore the beautiful nature** and **city of Turku**.

focus areas for teaching, research and development initiatives are related to the following:

DIGITALIZATION

ENTREPRENEURSHIP

CIRCULAR ECONOMY

Please find more information about the themes from the webpage www.tuas.fi/internationalweek and from the invitation.

Workshops, focus group discussions and other meetings will also be offered during the week for teaching and non-teaching staff. **Feel free to send us your proposal for a lecture, a workshop or a case study presentation.**

Please pass this invitation on to your colleagues who could be interested in joining the event. We are looking forward to meeting you in Turku, Finland.

REGISTER [here](#) by **February 29, 2016**
