FREQUENTLY ASKED QUESTIONS

CAN I APPLY EVEN THOUGH MY UNIVERSITY DOES NOT YET HAVE ANY VALID COOPERATION AGREEMENT WITH THE USMB?

Yes, you can. All applications will be considered. However, in case of a big number of applications, the priority will be given to the USMB partner universities academic staff members.

I DO NOT WANT TO GIVE 4 TO 5 SESSIONS OF LECTURES. CAN I TEACH LESS OR MORE?

We expect participants to teach for an average of 8 hours. However, some shorter lectures could be used to complete another lecture on some more specific point. The other way around, on some very specific subject area where there are little specialists, a longer lecture could be appreciated. Thus, you are free to make your own suggestion.

THE SUBJECT I WANT TO TEACH IS NOT IN THE LIST SHOWN ABOVE: CAN I APPLY THOUGH?

Yes, you can. If you have an idea of a subject which is linked to languages, interculturality or teaching methods, you can suggest it while applying to the teaching week.

I AM INTERESTED IN TAKING PART IN THE ACTIVITIES BUT AS A TRAINEE NOT AS A LECTURER. IS IT POSSIBLE?

Another call for applications will follow early 2021 for participants. This specific call is aimed only at lecturers who will teach during the week. You can contact us to give us your email address and make sure you receive the call for applications in 2021. Training mobilities will be eligible as well for Erasmus+ grants (STT) from your home institution.
