

Dear partners,

here is a friendly reminder for the registration of our Business Week 2019.

We would like to invite you to participate our **International Business Week** which will take place from **11th until the 15th of March 2019** at the University of Applied Sciences Kaiserslautern - Campus Zweibrücken. The content will be the **Management Simulation "TOPSIM - General Management"** – in our view, one of the best existing simulations. During this week, students from different study programs (especially Accounting/Finance) and countries will work together in multinational groups. For further information, please read the attachment.

During the same week, we will also offer a program especially for **Master students**.

The content will be similar and the groups will be mixed with the students of our International Study Programs.

Therefore we would also like to invite your interested master students to participate the International Business Week.

Application and accommodation forms should be returned electronically **before 1st of December 2018**.

If you have any questions, please do not hesitate to contact me.

We really hope to welcome you and your students next March here in Zweibrücken!

Mit freundlichen Grüßen/ Kind regards

Laura Jakoby
