

# International Staff Training Week

## Best practices in Internationalization

Università di Pisa, 19-23 June 2017

Dear

colleagues,

it is our pleasure to inform you that, in the framework of the Erasmus + Programme, the University of Pisa is organizing an International Staff Training Week to be held on 19-23 JUNE in Pisa.

The training week will focus on "Best Practices in Internationalization" and is open to all kind of technical/administrative staff. It will include a presentation of the University of Pisa and of its International Office as well as visits to several departments and a workshop on best practices and their implementation in our different universities. Of course, the participants will have some time to introduce their own universities, highlighting their strong and weak points, in order to better understand where the best practices need to be adopted and what we all can do to have them working properly.

June is a special month for Pisa, since we host the so called "Giugno Pisano" (Pisan June), a period rich in events and historical parades. For example, on June 16 there will be the "Luminara", a magic night when all the buildings facing the river are covered with candles in small glass jars, and on June 18 the "Regatta of the Ancient Sea Republics", in which teams from the cities of Amalfi, Genoa, Venice and Pisa compete on the Arno river rowing on old wooden boats. So please, consider coming to Pisa three days before

the Staff Training Week starts, and staying a couple of days more to enjoy the "Gioco del Ponte" (Battle of the Bridge) on the 24!

But of course you will also have the chance to experience the many artistic masterpieces the city offers, together with a taste of true Tuscany lifestyle & cuisine. And don't forget you will be close to the Leaning Tower and "Under the Tuscan Sun"...

Please find attached the [application form](#); do not hesitate to contact us at [cooperations@unipi.it](mailto:cooperations@unipi.it) in case you need further information or explanation. The attached [video](#) will provide you with a flavour of the city and an overall idea of our city-wide campus structure. A detailed schedule of the Week will be sent over the next month.

Looking forward to meeting you in Pisa,

The staff - International Cooperation Office.

---
