Dear Colleague,

The year 2015 is coming to the end, a lot has been done. However the upcoming year 2016 encourages for setting new plans, activities and challenges.

Therefore, to strengthen our collaboration, we are pleased to announce the **3rd International Week** at the Faculty of Economics and Social Development (ESAF), Latvia University of Agriculture (LLU) that will be held from the **18th – 22nd April 2016**.

The programme of the *International Week* is diverse and includes **lectures, seminars, workshops (in Economics, Management, Sociology, etc.), study abroad presentations and other scheduled activities** for all participants.

Please fill in [the registration form](#) in order to show Your interest. The deadline for registration is 25.01.2016. Afterwards we`ll inform You about the acceptance until the 1st of February.

We recommend using Erasmus+ to pay travel and accommodation costs.

During this week also our annual international scientific conference **“Economic Science for Rural Development 2016”** will be held.

You are welcome to participate!

Looking forward to seeing You,

Vineta Tetere
