Dear Colleagues,

It is our pleasure to invite you to the 11th International week which will be held on 9 -13 April 2018 at our College.

As always, we will welcome lecturers and non-teaching staff to come and share their experience and knowledge while getting to know our institution and representing theirs.

Traditionally, besides official activities we will offer some excursions, a national Evening with traditional dances, a diner to share your thoughts in a more informal environment.

Please, save the date and plan your visit.

Sincerely

Nijole Popoviene
