## **International Week 2016**

and the

## **Conference “Technological Innovation for Sustainable Societies 2016”**

Vilnius College of Technologies and Design cordially invites you to the 9<sup>th</sup> annual International week 2016 and the annual conference “Technological Innovation for Sustainable Societies 2016”.

The Conference will take place during the International Week, which will be held on February 29 - March 4 in Vilnius, Lithuania.

We will be sharing more information later for those who would like to register to speak at this conference.

As always, we are inviting lecturers to come share their experience and knowledge while getting to know our institution and representing theirs. Please let us know if you would be interested in a teaching visit.

Traditionally, besides official activities, we will offer some excursions, a National Evening with traditional dances, a diner to share your thoughts in a more informal environment.

**So save the date and plan your visit!**
