Subject: Erasmus Plus and Britannia - Partnership

To: <[relint@uab.ro](mailto:relint@uab.ro)>

Hi there,

We are Britannia English Academy, an English school located in the centre of Manchester, UK.

We would like to offer English language courses to your teaching staff.

As your school and ours are both registered with the Erasmus Plus programme, your staff could have their course fully funded by Erasmus.

We believe that this is a great opportunity for your institution and for your employees to develop their skills.

If you are interested, let us know and we can discuss further details over the phone or by email.

We look forward to hearing from you.

Kind regards,  
Ann-Charlotte
