

Dear Colleagues

It is with utmost pleasure that we invite you to the IPSantarém 9th International Week “Internationalization in times of pandemic: challenges and good practices”, that will happen online between 11th and 14th may.

Participation in the programme is open to Higher Education professors and staff, as well as students. Be free to share the programme, we appreciate that!

You are welcome to check the programme and register here:

<https://www.ipsantarem.pt/pt/international-week/>

you can also check *Imotion*:
