Subject: V UEx International Week
To: irenecd <irenecd@unex.es>

Dear Partner,

It is our pleasure to invite the International Staff in our partner Universities to the **V International Staff Week** being held at the University of Extremadura (Badajoz, Spain) the week **23th-27th May 2016**.

Like in former editions, the V International Staff Week at UEx intends to create a forum for analysis of the main aspects involving **internationalization**.

We would like to kindly invite our **partners of International Relations Offices** to share their experiences and best practices with the international staff at UEx, and with the participants of this International Week, in a friendly environment where all of us will enhance our international connections, by learning from each other and promoting our own institutions.

A **cultural and social agenda** is also foreseen with a variety of activities, which will include guided tour to Cáceres, a city with an outstanding historical and cultural heritage, and the tasting of the Extremadura gastronomy.

Delegates are expected to present their institutions and a “successful experience” carried out at their own places in relation with internationalization. Presentations should not take longer than 15 minutes and should be submitted within a week from the communication date.

Registration form, preliminary programme and practical information are available at:

<http://eventos.unex.es/go/IW2016>

Selection results will be communicated to participants shortly after the deadline. We highly recommend **not** to book any flight or hotel before our confirmation.

In the interest of diversity, we plan to welcome up to 20 participants. Teaching staff not directly involved in international mobility management are not eligible candidates.

We are looking forward to meeting you at the UEx!
