

Dear Colleagues,

We trust this email finds you all well and safe despite the difficult times we are living in.

As Istanbul Aydın University Erasmus+ TEAM, it is our pleasure to invite you to the **IAU Global Partners Week** which will take place **at Istanbul Aydın University Florya Campus on Feb 28-March 2, 2022.**

This event will be a great opportunity for all of us to get together, to enhance our bilateral cooperation, to exchange best practices for internationalization during the pandemic and for all participants to promote their new virtual and short programs.

In the same time, academic staff interested in delivering Lecturers will have the possibility of meeting virtually/in person our students. For Erasmus+ Staff Teaching Mobilities we recommend to be exact with the offered topics, since the lectures will be held within the regular courses offered by IAU.

Where applicable, the funding might be available from the Erasmus+ grant distributed by the home university. We invite candidates to check the availability of such funding with their home institution.

Colleagues from both Erasmus+ and Cooperation Protocols partner universities are welcome to apply by filling in the application form in the following [LINK](#) **until January 28, 2022.** There is no participation fee for IAU Global Partners Week but registration is required.
