

Dear Partner,

I hope you are doing well in these challenging times.

Eszterházy Károly University still runs education on-line. We are organizing an on-line International Week this spring. You are kindly invited to attend our event between the 1st and 3rd March 2021 focusing on current issues and international perspectives in English language learning and teaching. You could also invite your colleagues who teach English.

Please, confirm your participation through this [Registration](#) link for the Zoom platform until 22 February.

For more information please visit our [website](#) or contact us at [iw@uni-eszterhazy.hu](mailto:iw@uni-eszterhazy.hu).

Looking forward to meeting you online and hopefully very soon in person as well.

**MS KRISZTINA SZŐKE MBA**

partnership coordinator
