

10TH INTERNATIONAL WEEK

9-13 APRIL, 2018

Dear Colleagues,

If You wish to spend a week in a **vivid international milieu**, with the opportunity to both hold **lectures** and start new **collaborations**, as well as to enjoy a selection of relaxing and fascinating **social programmes**, join our *10th International Week* at the Faculty of Economics and Business Administration, University of Szeged, **9–13 April, 2018**.

The particular aim of the programme is to provide our students – both international and Hungarian – with the opportunity to listen to courses delivered by visiting lecturers from our partner institutions, at the same time strengthening already existing, as well as preparing and designing new collaborations in teaching and research activities between our institutions.

Your students are also warmly welcome to register for mini-courses and social events in the *International Week*. We encourage You to bring Your students to participate in this truly international event that provides opportunity not only to learn from fantastic international professors but also to build friendships and enjoy Hungarian hospitality.

Our guests are invited to participate in the following programmes:

(1) Mini-courses held in the training programmes of the Faculty of Economics and Business Administration

Basic aim of the programme is to convey academic experience for Hungarian and international students.

(2) Workshop on Erasmus+ Strategic Partnerships

In the framework of the workshop, an internationally acknowledged expert shares their experiences and gives guidelines on how to proceed and succeed in Erasmus+ Strategic Partnership projects. The occasion also provides a forum to find future collaborative partners for specific proposed projects.

(3) Workshop on teaching methodology

In the framework of the workshop, we invite our guests to share methodological best-practices in the context of a student-centred higher-education, focusing on learning outcomes and competences to be acquired.

(4) Social activities of various kinds

Participation in the programme is free of charge.
