

Dear partner,

With this e-mail, [Vidzeme University of Applied Sciences \(ViA\)](#) is pleased to invite representatives, both academic and administrative, from your University to attend our **International Week 2023 "Future University. Connecting Regions"**.

ViA International Week 2023 will be held in person at **Vidzeme University of Applied Sciences in Valmiera, Latvia, on May 15-20, 2023.**

**Vidzeme University of Applied Sciences** is part of the European University [E<sup>3</sup>UDRES<sup>2</sup>](#) and is providing knowledge and experience about future challenges and opportunities for higher education institutions.

The idea of **Future University. Connecting regions** is to bring together higher education institutions and their regions across Europe and outside Europe.

All academic staff representatives **are invited** to **give lectures, lead workshops** and **participate in discussions** of one of our daily themes.

Participants are welcome to specify their fields of expertise regarding proposed activities in the application form [HERE](#), by scanning the QR code in the attached file or by clicking on "APPLY HERE" in poster. We can host maximum of two participants per institution.

For more details see the attached file with the **Preliminary Program** of the International Week.

Please **fill in** the [application form](#) by **March 20, 2023.**  
The **results** will be announced by **March 25, 2023.**

**Feel free to forward this e-mail to your colleagues, who might be interested in the event.**

Looking forward to meeting you soon!

*Ar sveicieniem / With regards,*

**Māriņa Balaņuka**

**Starptautisko studiju speciāliste / International Coordinator**
