

Dear Partners,

We are writing to invite you to our 4th Staff Training Week held at the Universitat Jaume I from the 15th - 19th May 2023.

The Universitat Jaume I is located in Castellon de la Plana, the capital city of the province Castello, in the Valencian Community on the east coast of Spain. The city is full of history, culture and nature tourism. As the second most mountainous province in Spain, here you can enjoy the benefits of city, beaches and mountains all in one place.

You can enjoy walking around the city and taking in the history, or visiting the three beaches which are without a doubt among the best in Spain for the quality of water and the many services and recreational activities available. Alternatively take a trip walking or mountain-bike riding in the nearby Desert de les Palmes Nature Reserve.

Universitat Jaume I has taken part in the Erasmus programme since 1994. The programme has been going through big changes since then. The new challenges started with the new programme Erasmus+ in 2014. As a result of that, we are offering mobility possibilities to all agents involved in universities' development.

The 4th Staff Training Week organised by our institution is aimed at European Staff related to Internationalisation either from partner or non-partner universities who would like to learn more about the facilities, management of the different mobility programmes. We have also organised a programme that will offer you some networking events in order to make the most of your stay with us.

We would appreciate you forwarding this email onto those colleagues or departments from your university who may be interested.

For more information please see the [preliminary programme](#) of activities attached to this email or follow this [link](#) with the information about the last edition of our staff weeks.

If you are interested in participate and you would like to apply, please fill in the application form in the link below before 2nd December 2023:
<https://form.jotformeui.com/72622624575358>

Kind Regards from Spain!

The International Relations Team
Universitat Jaume I
