

Dear partner,

We are delighted to invite you to our **International Staff Training Week** entitled "*Addressing Inclusion from the EU Framework*," which will be held at our Faculty of Education, Economics and Technology at [Ceuta Campus](#) (University of Granada) from **22 to 26 May 2023**. As our esteemed partners, we would be honored to have you attend this event, **both for administrative and academic staff**, covered by our staff exchange Erasmus agreement.

The International Staff Training Week is an excellent opportunity for all participants to share their experiences and best practices, exchange ideas, and learn about new developments in the field of **inclusion**. We believe that your presence and active participation will contribute significantly to the success of this event. You will have the opportunity to **enjoy our campus and city**, a Spanish spot on the northern coast of Africa, bordering Morocco.

The main aim of this International Staff Training Week is to discuss inclusion from the EU framework and its impact on different areas, including higher education, research, and innovation. You will also have the opportunity to present your institution, if you wish, as well as plenty of networking opportunities among our partners.

We have planned a diverse program, including workshops, presentations, panel discussions, and social events to provide participants with a comprehensive and engaging experience.

Information about registration and provisional programme will be very soon available from our website: https://internacional.ugr.es/pages/perfiles/pas/staff-training-week#_doku_nd_staff_training_week_in_ceuta_campus

We look forward to welcoming you to Ceuta and enjoying a week of productive and inspiring discussions on the topic of inclusion. Should you have any questions, please do not hesitate to contact us at bcortina@ugr.es
