

Dear Colleagues,

As Istanbul Aydın University Erasmus+ TEAM, it is our pleasure kindly remind you and to invite you to the annual **IAU Global Partners Week** which will take place **at Istanbul Aydın University Florya Campus on February 27-March 3, 2023.**

This event will be a great opportunity for all of us to get together, to enhance our bilateral cooperation, to exchange best practices for internationalization and for all participants to promote their signature international programs such as virtual exchange and short programs.

In the same time, academic staff interested in delivering Lecturers will have the possibility of meeting our students. For Erasmus+ Staff Teaching Mobilities we recommend to be exact with the offered topics, since the lectures will be held within the regular courses offered by IAU. All Erasmus+ STT/STA documents need to be shared with us at erasmus@aydin.edu.tr.

Where applicable, the funding might be available from the Erasmus+ grant distributed by the home university. We invite candidates to check the availability of such funding with their home institution.

Colleagues from both Erasmus+ and Cooperation Protocols partner universities are welcome to apply by filling in the application form in the following [LINK](#) until **January 20, 2023**. There is no participation fee for IAU Global Partners Week but registration is required.

IAU Global Partners Week is scheduled right before [Eurasia Higher Education Summit EURIE 2023](#), which will be organized on **March 1-3,**

2023 in Istanbul Lutfi Kirdar Convention Center. EURIE is the largest international education conference and exhibition in Eurasia.
