

Dear Partners, Dear Colleagues,

Warmest Greetings from Hitit University, Çorum, Turkey!

Kastamonu University (Kastamonu, Türkiye) and Hitit University (Çorum, Türkiye) are delighted to invite you to join us for the 1st International Staff Week, which is open to both academics and non-academics, taking place between 17th-21st October 2022.

The event offers an exceptional opportunity for you to experience two universities in Turkey. We consider it an excellent opportunity to share our knowledge and experience in the field of mobility, promote the idea of internationalisation, and strengthen our international partnerships through meeting in person. All participants will be asked to make a short presentation (video, PowerPoint etc.) about their universities.

The International Offices of both institutions warmly invite all our partner and non-partner universities to join the programme. We would like to give the participants space for their presentations during the week for better sharing of their knowledge and best practices. Please be aware of your active participation during the staff week.

Since the number will be limited to 25 participants (maximum of two representatives per institution), we recommend the interested candidates to fill in the online application form as soon as possible, no later than 30 September 2022. Please do not make travel arrangements before your participation is confirmed. We will confirm the participation of registered applicants no later than early-October 2022 and send them the details.
