Title :

Summer School "Intercomprehension between Romance languages »

Short description:

This BIP is aimed at students interested in developing written and oral comprehension, production, interaction skills in the field of communication in intercomprehension between Romance languages.

The students will attend an hybrid course, with a first part online and a second part in presence. The virtual activities are based on online lessons and on the course "Elements of Interpretation" (Start@unito). During the intensive week, the knowledge, and skills developed during the online part are consolidated, focusing on the techniques and the principles of intercomprehension.
