

Dear colleagues,

You have only a few days left to apply to our International Staff Week!

"Home and away" will be a week-long event filled with interactive sessions and workshops. Hosted by Avignon Université and the University of Central Lancashire, the event will take place from May 22nd to May 26th in Avignon and focus on the themes of internationalisation at home, global challenges, and well-being. The programme is available [here](#).

This is a unique opportunity to network with colleagues and exchange best practices and ideas. We have a limited number of opportunities for guest lectures. If you're interested in sharing your expertise and insights with the attendees, please let us know.

If you have any questions or need additional information, please do not hesitate to reach out to us.

We look forward to seeing you there!

Kind regards,

M. Guilherme SANTOS GRISE
