The main objective of this event is to widen and strengthen cooperation, exchange know-how, good experiences and practices with our Partner Institutions from Erasmus+ programme countries and KA107 international credit mobility partners.

This year, staff exchange week is organized as Blended Intensive Programme (BIP) No. 2021-1-LT01-KA131-HED-000009702-1 for staff members and shall be dedicated to presenting and sharing with the participants Mykolas Romeris **University as a Challenge Based and Experiential Workplace**.

Therefore we are planning **a virtual 1 day training component on 14 June 2023** before the physical mobility part (19-23 June, 2023) .

The content of the week is prepared both for staff members interested in sharing their experience among administrative units (International offices, Quality assurance, Student and Staff services, Research management etc) and also for staff members from the Faculties who work on administration of studies or international relations.
