

Dear Partner Institution,

Are you interested in **Designing Micro-credentials with a civic approach**, while you meet staff from other universities and visit the wonderful cultural sites of **Madrid**?

Save the date now!!

Staff week description:

During this Staff Week, participants will learn step by step how to design their own micro-credentials. An important flagship of the European Commission's agenda, Microcredentials must be specifically designed for addressing the cultural, personal, societal, and labour market needs for today's world. With a strong commitment with the alliance's promotion of civic values and centred on innovative pedagogies and challenge-based.

Target audience

Administrative and Academic staff working in a member university at the level of Life-long Learning and Higher Education Institutions. Please note, space is limited.

Format & date of the event

The event will be held from June 26th to June 30th in Madrid, Spain, at the Universidad Autónoma de Madrid.

Registration

The deadline for applications will be the **fifth of June-**

The application form will be available next week.

Once you have been admitted, you will be asked to register and pay the course fee (275€)
