

Dear Colleagues,

As Istanbul Aydın University Erasmus+ TEAM, it is our pleasure to invite you to the **2nd IAU Global Partners Week** which will take place **at Istanbul Aydın University Florya Campus on May 08-12, 2023.**

This event will be a great opportunity for all of us to get together, to enhance our bilateral cooperation, to exchange best practices for internationalization and for all participants to promote their signature international programs such as virtual exchange and short programs.

In the same time, academic staff interested in delivering Lecturers will have the possibility of meeting online our students. For Erasmus+ Staff Teaching Mobilities we recommend to be exact with the offered topics, since the lectures will be held within the regular courses offered by IAU. All Erasmus+ STT/STA documents need to be shared with us at [erasmus@aydin.edu.tr](mailto:erasmus@aydin.edu.tr).

Where applicable, the funding might be available from the Erasmus+ grant distributed by the home university. We invite candidates to check the availability of such funding with their home institution.

Colleagues from both Erasmus+ and Cooperation Protocols partner universities are welcome to apply by filling in the application form in the following [LINK](#) **until May 2, 2023**. There is no participation fee for IAU Global Partners Week but registration is required.

Please feel free to share this announcement with anyone who might be interested in participating.

Should you have any questions or require more information, do not hesitate to contact us.

On behalf of Erasmus Office, IAU International Academic Relations and Short-term Programs Office, we look forward to hosting you in the 2nd IAU Global Partners Week!

Best wishes from Istanbul,

IAU Erasmus+ TEAM
