

Dear colleagues and prospective applicants,

we would like to cordially invite you to our **8th Erasmus+ International Staff Week 2023**, which will be held at Palacký University, Olomouc, Czech Republic, and will be organized for the very first time as a **Blended Intensive Programme** with a **virtual part on 27 November and physical part on 4 - 8 December 2023**.

The **virtual part** will include introduction not only to Palacký University but also to the history and culture of our UNESCO city and our country. We will also invite our **participants to introduce themselves and their institutions** to give all of us opportunity to get to know each other before we meet in person in Olomouc.

Due to a high interest in our 7th E+ISW held in June 2023, we decided once again to dedicate the **physical part** to the theme of **new priorities and challenges in the Erasmus+ programme** such as sustainability, mental health or students with special needs.

The preliminary programme contains workshops, networking activities, tour of Palacký University and Olomouc, and opportunities for sharing best practices among colleagues from a wide range of countries while enjoying a remarkable Christmas atmosphere in Olomouc.

If interested, please fill up the following [registration form](#).

The application is open until **22 October 2023 (midnight)**.

More information can be found and will be regularly updated on our [website](#).

If you have any additional questions, do not hesitate to contact us at iro.up.olomouc@gmail.com.

We are looking forward to meeting you in Olomouc!

E+ISW UP team
