

Erasmus+ Blended Intensive Programmes at the University of Trento

Dear Partners,
greetings from Trento!

We are happy to announce and invite your students to participate in the Blended Intensive Programmes organized at the University of Trento during Autumn 2023. Your students will have the opportunity to engage in real life problems, find creative solutions and gain relevant skills for their future in an international environment in contact with business.

Here is the programme of each BIP organized according to the Erasmus+ rules: a combination of physical mobility (5 days) and virtual activities awarding a minimum of 3 ECTS:

- [CaaS: Build the City You Need](#)
- [From Peaks to Pavement](#)

Application deadline: September 21st, 2023

Further details on the challenges organized in Trento will be available during a [short virtual information session your students can attend on August the 31st at 6 pm \(CET\)](#).

We kindly seek for your collaboration in encouraging your students to participate and supporting them through Erasmus+ short term mobility (you can cover the grants with Er+ or other). Would you be so kind to collect name and contact of interested students? Looking forward to receiving your confirmation by September 8th.

Thank you very much for your fruitful cooperation in advance.

Best regards,

Francesca and Michele
