

Dear Partner

First, I would like to wish you all a Merry Christmas and a Happy New Year.

At our department of Social Education at Campus Viborg, we would like to welcome academic staff and international administrative staff from faculties in Social Education, Pre-school education, Teacher education, Social work, and other related faculties to attend our International Staff Week. The Staff Week will take place at Campus Viborg from 16-18 April 2024.

The program is varied but focuses on how Social Education contributes to solve challenges in a changing welfare society in cooperation with different actors, knowledge, research and methods in didactics and education with competent academic staff and groups of students. Also, we will be visiting different types of institutions in Viborg Municipality.

There is no participation fee for attending the Staff Week.

Attached please find introduction to the week.

Deadline for application is 20 February 2024.

We look very much forward to be welcoming you in Viborg.

Warm regards

Anja Aagaard Christensen and Birgitte Vigsø Henningsen

Staff Week at VIA University College Department of Social Education – Campus Viborg

Contents

We will focus on how Social Education contributes to solve challenges in a changing welfare society in cooperation with different actors.

You will gain insight in knowledge, research and methods in didactics and education with competent academic staff and groups of students.

You will also have the possibility of networking and sharing knowledge with other participants.

What to expect during the Staff Week

We start by introducing you to the Social Education program in Viborg. The following time will be a mix of lectures and practical experience. We will invite you to hear about the three specializations in Social Education as well as invite you to participate in different workshops where you get hands on. You will visit the exchange program where you meet the international students and gain knowledge on what VIA University can offer. Finally, you can look forward to visiting different types of institutions in Viborg Municipality. Time to network across nationalities is of great importance therefore time is also allocated to that.

A detailed program will be shared after the application deadline and selection process.

Attendants
