

Dear Partners and Colleagues,

We would like to inform you that the International Relations Office of the University of Zadar is pleased to invite you to the Staff Training Week that will be held **from 15 – 19 April 2024 in Zadar**.

Since we have had successful staff training weeks in the past years, we would like to organise the 6th Staff Training Week with the aim of sharing knowledge and new ideas through discussions and exchange of good practices. This time we have decided to welcome both teaching and training staff interested to visit our Departments and Offices.

Through a combination of presentations and discussions with the colleagues from the international relations office, the week's programme will provide opportunities for comparing knowledge and understanding of important issues related to marketing strategies in the higher education mobility and Erasmus+ mid-term evaluation. Besides, it would be a great opportunity to strengthen existing relations and to meet potential partners.

Preliminary programme can be found [here](#).

Places are limited to 50 persons. Participants will be selected on the basis of fields of interest and the quality of the Mobility Agreement. Participation will be limited to two persons per institution. The language of training is English. Please note that participants are expected to cover their own travel and accommodation expenses through the Erasmus+ or other funds.

Meetings with international coordinators at the departments could be arranged on demand. List of departments can be found [here](#) and list of other units [here](#).

The application deadline is 12 February 2024. Application form can be found [here](#).

We are looking forward to welcoming you or your colleagues at our University. If you have any further question, please do not hesitate to contact us.

Best regards,

Rafaela Segarić, mag. bibl.
