

Dear colleagues of partner universities around Europe,

Warm wishes from the USPN team! We trust this message finds you well.

We are thrilled to extend to you a cordial invitation to join us for our Staff Week themed "*Internationalisation of HEIS and Interculturality*", happening from the **13<sup>th</sup> to the 17<sup>th</sup> May 2024**.

Imagine immersing yourself in a dynamic forum where people working in Higher Education Institutions converge to reflect, share insights, and foster invaluable connections on internationalisation and intercultural strategies, as well as opportunities for collaboration. This week-long event promises to be a melting pot of ideas, where we delve into cutting-edge strategies and celebrate cultural diversity.

Eager to be a part of this transformative experience? Simply complete the following application form by the **31<sup>st</sup> March**:

<https://paris13.moveonfr.com/form/65eef4ee256ab7b2cb06dc7a/eng>.

Our organizing committee will carefully review all applications and provide feedback between the **2<sup>nd</sup>** and the **5<sup>th</sup> April**. The International Staff Week will come to life only when we meet our minimum participation requirements. Given that this event is structured as a BIP, a virtual component will take place the week before the staff week. We will give you further information in the weeks to come.

You can have a sneak peek into the attached [preliminary program](#) of our exciting itinerary!

Take in mind that your mobility can be funded with the Erasmus+ grants. You can have further information from your International Relations Office.
