

Dear ladies and gentlemen,
Dear colleagues,

The Language Teaching Institute (SLI) within the Faculty of Philology at the University of Freiburg, Germany is delighted to announce the organization of regular Staff Weeks as part of the ERASMUS+ program, commencing from June 2024. We extend a cordial invitation to all interested parties, offering a diverse range of German language courses tailored to varying proficiency levels (A1-B2).

Our courses, comprising 20 lessons per week, are designed to accommodate both absolute beginners and advanced learners, providing a conducive environment for language acquisition and cultural immersion within small, interactive groups. Situated in the heart of the historic old town district, our institute enjoys a prime location within the lively and multicultural city of Freiburg.

In addition to the language program, Freiburg's strategic location offers an abundance of exploration opportunities, including the scenic Black Forest and nearby cities, such as Basel, Zurich, Strasbourg, Paris, and Milan. For further insights into the program, we have enclosed a detailed flyer outlining the schedule and additional information. We encourage you to share this email and its attachments with your colleagues who may find this opportunity beneficial.

Should you require any further clarification or assistance, please do not hesitate to contact us.
Warm regards from Freiburg,
Janina Cünnen
