

Dear colleagues,

Hello and greetings from sunny Vilnius! I hope you are doing well. If this message is not meant for you, may I kindly ask if you could forward it to your Erasmus related office, thank you!

I'm happy to share with you that Vilnius Business College in cooperation with 'Training trends' have Erasmus+ staff training courses planned for the Autumn period of October, November and early December. The courses already are well-proven and worth consideration, since they received great feedback among participants from previous groups.
