

Dear Partner,  
I hope this email finds you well.

I'm writing to invite your staff members, professors and office workers to visit our university for STA/STT mobilities in terms of Erasmus+ program during academic year 2024/2025. We are open to discuss suitable dates of the visit as well as conditions for incoming staff members.

If you need any more information regarding staff mobilities feel free to contact me anytime.

Best regards
