

Dear Attendees and Registrants,

We are thrilled to invite you to our 2nd International Week! As a valued previous attendee or registered participant, you have **exclusive early access** to secure your spot—**three days before the official announcement** on LinkedIn and iMotion.

This year, ISIM will host **five International Weeks** across **February, March, April, May, and June/July**. Each event will accommodate a maximum of **100 participants**. We'll share details and registration links for each upcoming event soon.

Our main dilemma is that South of France is a very touristic region which results in volatile and high accommodation costs:

- carnival of nice in february,
- citrus festival in menton in march,
- Monte carlo rolex masters of tennis in april
- antibes art fair in April,
- festival of cannes in may
- grand prix of monaco in may,
- antibes sailing regatta in june

This year, we'll experiment with different timelines and venues, and we're eager to gather your feedback to enhance your experience.

### **What to Expect**

We are maintaining the successful structure from last year, designed to maximize both professional development and networking:

- **Collaboration Opportunities** (2 formal days)
- **Peer Best Practice Exchanges** (1 formal day)
- **Informal Networking & Immersive Experiences** (2 informal days + 1 cocktail party)

**February Registration Now Open!**

If you're ready to join us in **February**, register now through this link:

[Register for February International Week](#)

Please note, many elements of the 2nd edition will mirror the 1st edition. Our aim is to:

- Provide those who couldn't attend previously a chance to enjoy a similar program.
- Offer satisfied attendees the opportunity to rejoin and further enrich their experience.

We look forward to welcoming you to another unforgettable week in the South of France!

Warm regards,  
The ISIM Team
