International Teaching Week (IW) is one of the most important and inspiring annual international events at Vilniaus Kolegija / Higher Education Institution (VIKO), which traditionally takes place each spring. We would like to invite you to come to Vilnius in early spring of 2025.

The main aim of this event is to invite teachers from the higher education institutions in different parts of the world and provide them with an opportunity to meet and students and staff in a different academic and cultural context.

The guest teachers are invited to give 8 academic hours of lectures, seminars or workshops on the topics they consider most urgent and successful.

We are waiting for you! Our students in 10 faculties are waiting for you!
