

Dear Partners

Greetings from Coimbra!!

We are writing to invite you to our International Staff Training Week held at the University of Coimbra from the 14th – 17th October 2024.

Our main goal is to bring together staff related to internationalization, either from partner or non-partner universities who would like to learn more about our facilities, our management of the different mobility programmes, and the goals of our institution following the guidelines of our policies and internationalisation strategy.

We have done our best to include some enjoyable networking events in order for you to meet our partners too and get to know the city and its culture.

Please take into account that mobilities for teaching purposes are not included during this event, only training mobilities and job shadowing.

We hope you can enjoy this week as much as we are looking forward to it.

For more information, please see the programme: <https://www.uc.pt/dri/noticias/international-staff-week-coimbra-2024/>

If you are interested in participating, please fill in the application form until 10 October 2024

Kind Regards from Coimbra!
