

Dear Esteemed Partner,

Greetings from METU, Budapest, Hungary!

We are excited to announce this semester's **International Staff Training Week**, which we would like to invite you to!

Having such a current topic, on this week's presentations you can learn and have discussions about AI's role in different areas. Besides, of course the emphasis (as always) is on sharing experiences, exchanging good practices and ideas, strengthening international cooperations in the framework of a pleasant one-week-long event.

Please check our poster for details and registration form – see it attached -, and you can find our program on IMOTION platform as well:

<http://staffmobility.eu/staffweek/metu-international-staff-training-week-0>

IMPORTANT DATES:

Duration: 9-13 December, 2024

Application deadline: 4 November, 2024

Selection: 11 November, 2024

**Please note that the spots are limited, therefore we can't guarantee your participation! **

Invitation Letters can be issued and signed only for the selected participants after 11th November!

Thank you for your understanding!

Don't hesitate to contact us in case you have any questions!

Have a great afternoon!

Kind regards,

Tímea Tohai-Oli
