

Dear colleagues and prospective applicants,

the Office for Mobility of Palacký University Olomouc, in collaboration with the [Support Centre for Students with Special Needs](#) and **Fair University**, is delighted to invite you to participate in the 10th Erasmus+ International Staff Week, dedicated to **inclusion, diversity & equal opportunities**.

This Staff Week will be organized as a BIP with a **virtual part on 19 May 2025 and a physical part taking place on 2 - 6 June 2025**.

The five-day program will focus on practical and interactive workshops to foster **greater understanding and inclusivity**. Together, we will delve into critical aspects of inclusion, such as:

- Support for individuals with special needs (e.g., visual/hearing impairments, reduced mobility, neurodivergence, and mental health challenges)
- Cultural diversity
- Equal opportunities for international students and staff
- Gender equality etc.

Apart from the official programme, participants can expect entertaining **activities to experience the city of Olomouc and its surroundings, Czech gastronomy, and culture**.

Our primary goal is to foster the exchange of best practices in inclusion. **We are particularly interested in welcoming participants from EU and non-EU countries who are experts in inclusion in higher education or work on these topics at their institutions.**

We will also welcome and give space to anyone **willing to share their expertise or best practices through a presentation or workshop**.

To ensure as diverse group as possible, the number of participants per institution should not be more than 2.

Participation in the E+ISW is free of charge but the participants are expected to cover their costs with the Erasmus+ Staff Mobility for Training grant.

In case of interest, please complete the [registration form](#) by **18 April 2025 (midnight)**. The results of the selection process will be communicated by 23 April 2025.

Please visit our [website](#) for more information and references to our Staff Week from the past years.

For more information and to register, please contact us at anna.prilucikova@upol.cz.

We are looking forward to meeting you in Olomouc!

E+ISW UP team
