

Dear Colleagues,

We are delighted to invite you to participate in our **International Week: Strengthening Strategic and Structured Cooperation between Higher Education Institutions**, taking place from **May 12th to 16th**. This initiative aims to foster collaboration, share best practices, and strengthen partnerships among institutions worldwide.

Throughout the week, you will have the opportunity to engage in insightful keynote sessions, panel discussions, networking events, and cultural exchanges. This is an excellent occasion to connect with peers, explore new collaboration opportunities, and contribute to the advancement of higher education partnerships on a global scale.
