

Dear colleagues,

We are pleased to invite you to Strasbourg to celebrate the **International Fair at the University of Strasbourg (France)!**

On this occasion, the International Relations Office is organizing a series of events aimed at promoting international mobility among various audiences: students, administrative staff, and academic staff. We are also eager to highlight the important role of our partner universities, and we would be delighted to welcome you for a **job shadowing experience** from **October 14 to 16, 2025**.

**The program includes:**

- An introduction to the University of Strasbourg and its operations
- Engaging discussions with our International Relations team
- A visit to the European Parliament
- Opportunities to meet our students (on October 14) to promote mobility to your institution, and to connect with our administrative and academic staff within the faculties

**Would you like to participate?**

Please contact us at [dri-partenariats@unistra.fr](mailto:dri-partenariats@unistra.fr) by **September 8**, and we will send you the registration form.

This staff week is **eligible for Erasmus+ funding**.

*Please note: The International Relations Office will be closed from July 28 to August 25. We will respond to your messages as soon as possible upon our return.*

We look forward to welcoming you to Strasbourg for this unique event celebrating exchange and international cooperation!

**Best regards,**

*The International Relations Office Team  
University of Strasbourg*
