

Community Building at the European Universities

<http://staffmobility.eu/staffweek/community-building-european-universities-0>

This staff training hosted by the European Digital UniverCity (EDUC) alliance brings together communication officers and community managers from European university alliances to face challenges in their field, share best practices, gain new skills and knowledge, and develop international partnerships. Sign up before October 1.

We welcome members from all European university alliances to three full days of combining professional development, best practise sharing, strategy building, development of international partnerships, and cultural experiences.

The purpose of this administrative staff mobility is first and foremost to raise competence and share best practices within selected fields suited for Community Managers, Communication Officers and connected/similar positions within the European university alliances.

The event takes place at USN Campus Kongsberg, in the center of the international technology city of Kongsberg, surrounded by stunning nature, and offering cutting-edge programs and industry partnerships, and holding the advantage of co-location with other entities, enhancing the campus's appeal and strategic position.

Registration link: <https://events.provisoevent.no/hsn/events/educ-staff-training-community-...>

Participation fee:

- Free for EDUC staff members
- 150 € incl.VAT/person for participants from non-EDUC universities

Funding: Local Erasmus+ Staff Mobility programme

Details for your Erasmus+ Staff Mobility application:

- EDUC Community Manager at USN, Knut Jul Meland, (knut.jul.meland@usn.no / +47 913 98 085) will sign your application on behalf of USN
- USN Erasmus code is N-KONGSBE 02
- This is an interdepartmental event, but to simplify it on your Erasmus form, you can fill in USN International Relations Office as name of the department providing the event.

The participation fee includes: training program, 3 days of coffee breaks and lunches, tours and activities in Kongsberg, welcoming dinner, and a charity program.

The participation fee does not include: travel costs, accommodation, insurance, breakfasts and dinners, and other general and personal expenses.

Extended stay: Whether to explore Norway, visit other USN campuses, or connect with specific communities and individuals at USN or among our partners, please feel free to reach out to educ@usn.no for assistance.
